MARBLE COLLECTION

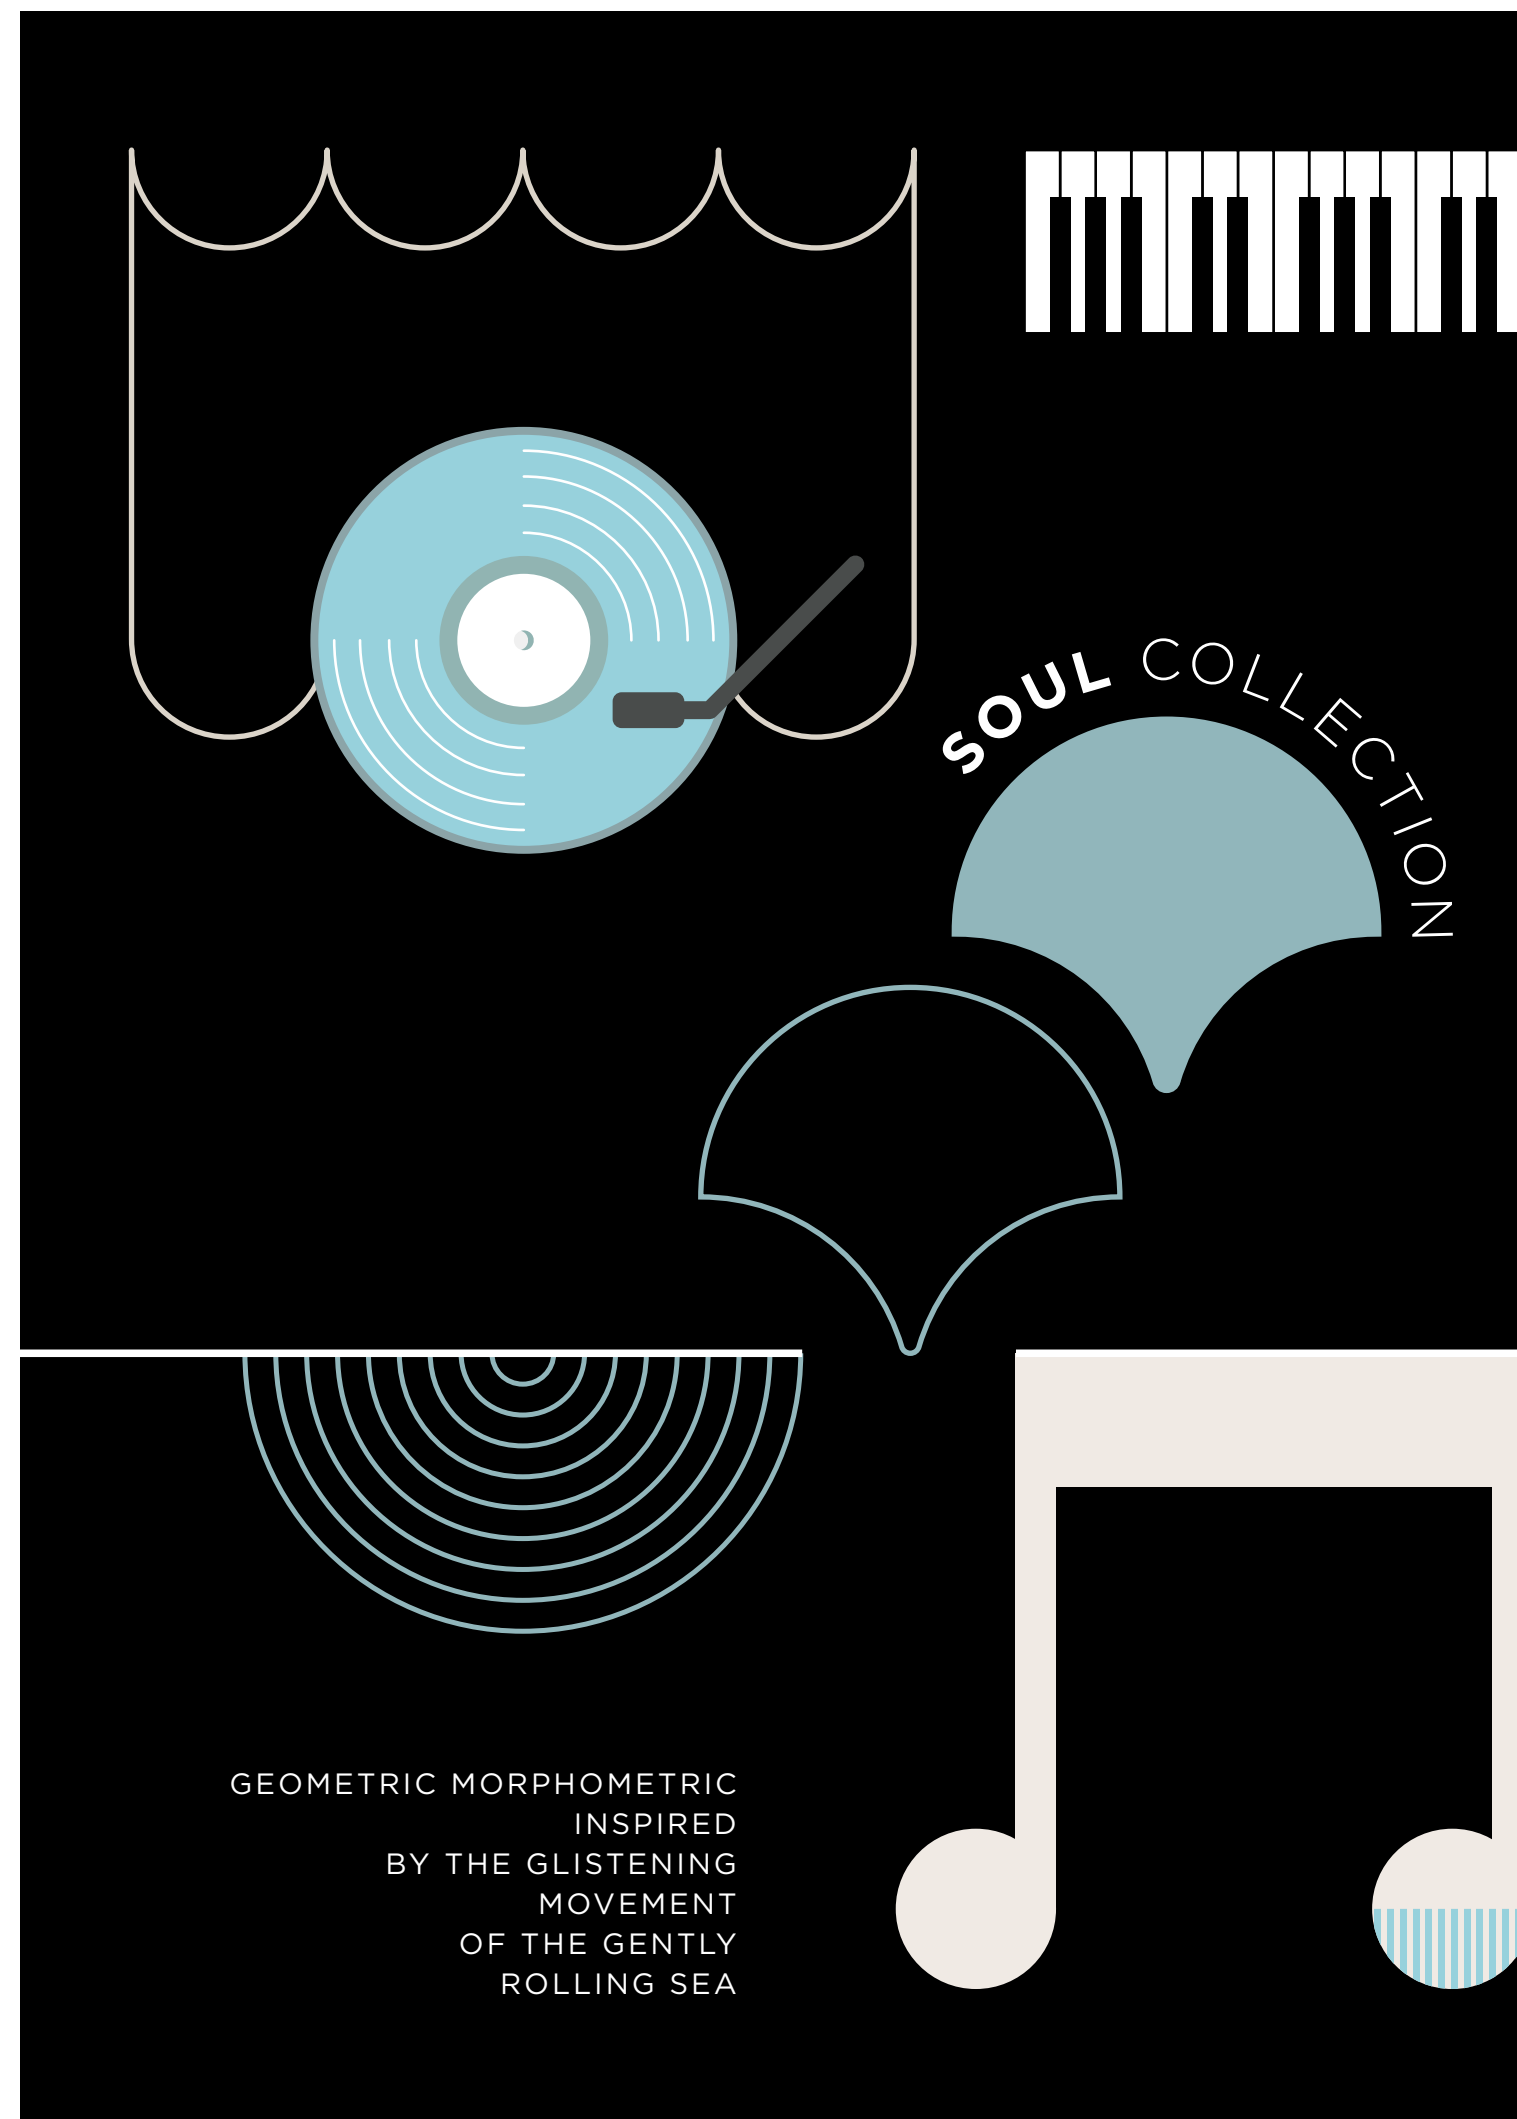

Nuevas formas, nuevas ideas, clásicos renovados que marcarán tendencia en todos los ámbitos. El hogar, zonas comerciales, spas, piscinas. Atrevámonos a decorar y personalizar nuestro entorno de forma creativa y original. Esta forma utilizada en mosaico durante muchos años, se renueva, y nos permite crear ambientaciones actuales, modernas y llenas de vida.

Los colores, también obtenidos por un lado gracias a la naturaleza, turquesas y verdes brillantes, y por otro, tonalidades neutras; nudes, negros y grises para las opciones más minimalistas y que vemos en la moda y las tendencias en el hogar.

New shapes, new ideas, renewed classics to set the trend everywhere. At home, malls, spas and swimming pools. Dare us to decorate and personalize our surroundings in a creative and original way. This shape has been used in mosaic for many years and has now been renewed, allowing us to create a modern ambiance, full of life.

The colours, obtained on the one hand thanks to nature – turquoises and brilliant greens, and on the other, there are neutral tones - different shades of nude, black and grey for the most minimalist options seen in fashion and home trends.

Circles an object

No se trata de colores y formas, las nuevas colecciones de Vidrepur transmiten sensaciones y nuevas experiencias.

Dimension Collection by Vidrepur ha nacido con el propósito de embellecer tus proyectos y reformas y como Frank Lloyd escribió " si inviertes en belleza se quedará contigo todos los días de tu vida "

Rather than being simply colours and shapes, vidrepur's new collections convey sensations and new experiences.

Dimension collection by vidrepur came into being with the aim of embellishing your projects and refurbishments. As frank lloyd once wrote: "if you invest in beauty, it will remain with you all the days of your life."
